

S&P Dow Jones Indices Announces Changes to the Dow Jones U.S. Financial Services Index Methodology

NEW YORK, SEPTEMBER 12, 2017: S&P Dow Jones Indices announces today the following changes to the index methodology for the Dow Jones U.S. Financial Services Index. If a constituent in the Dow Jones U.S. Index changes its subsector code to one that is eligible for the Dow Jones U.S. Financial Services Index, it will be added at the same time. Similarly, if a current constituent of the Dow Jones U.S. Financial Services Index changes its subsector code to one that is not eligible for continued inclusion, it will be removed at the same time. Previously, any such changes were evaluated only at each quarterly rebalancing.

This methodology change takes effect prior to the market open on Monday, September 18, 2017.

ABOUT S&P DOW JONES INDICES

S&P Dow Jones Indices is the largest global resource for essential index-based concepts, data and research, and home to iconic financial market indicators, such as the S&P 500[®] and the Dow Jones Industrial Average[®]. More assets are invested in products based on our indices than products based on indices from any other provider in the world. Since Charles Dow invented the first index in 1884, S&P DJI has become home to over 1,000,000 indices across the spectrum of asset classes that have helped define the way investors measure and trade the markets.

S&P Dow Jones Indices is a division of S&P Global (NYSE: SPGI), which provides essential intelligence for individuals, companies and governments to make decisions with confidence. For more information, visit www.spdji.com.
