

Modification to the Methodology of the S&P Asia 50

BEIJING, JANUARY 10, 2018: S&P Dow Jones Indices (“S&P DJI”) announces the following methodology change to the S&P Asia 50.

Change	Previous	Methodology Updated
Multiple Share Class Treatment	Each company is represented once by the primary listing.	All publicly listed share class lines are eligible for index inclusion, provided they meet all other eligibility criteria on an individual share class line basis.

This change will become effective prior to the market open on Monday, March 19, 2018, in conjunction with the next index rebalancing.

Please note the index methodology on S&P DJI’s website is being updated to reflect this change.
